

DUBBLE BUBBLE Gum 2018

Der amerikanische Bubble Gum DUBBLE BUBBLE (damals von Gründerfirma Fleece) wurde in einer Produktionsniederlassung in Deutschland bei Heidelberg hergestellt. Um 2000 ging die Marke "DUBBLE BUBBLE" an die kanadische Süßwarenfirma Corcord über. Die unrentable deutsche Niederlassung wurde abgegeben. Sowie andere Premium Bubble Gum Marken wie Bazooka den Vertrieb in Deutschland beendeten. KJS versuchte seinen Malabar auch in Deutschland zu vermarkten. Jedoch ist die Vertriebssituation für (teure) Premium Bubble Gums in Deutschland ziemlich perspektivlos. Jedoch kann man über eBay und Amazon weltweit Bubble Gum bestellen. In den USA gibt es immer noch einige gute Bubble Gum Marken (Bazooka, Dubble Bubble, Super Bubble, und weitere).
